

Ferme Park House

Coming Soon

CuroCare

CuroCare

CuroCare offer specialist services for adults with a learning disability, associated mental illness, personality disorder and/or challenging behaviour.

We are nearing completion of Ferme Park House, a unique, inspirationally designed purpose built continuing care service, located in **Crouch End, London N4** which will provide continuing care and rehabilitation for adults with a learning disability.

Ferme Park House offers:

- A bespoke service that has been designed to provide high quality functional living within a safe secure environment
- Four en-suite bedrooms, spacious living rooms and an on site activity room
- Two one bedroom self-contained flats

CuroCare's focus is on rehabilitation and community inclusion through measurable person centred planning. We provide the opportunity to build on existing strengths whilst developing new skills and actively manage risk through a multi-disciplined approach.

To make a referral or to discuss our services in detail, contact **Ruth Georgiou**.
