CuroCare

A Hospital at the
Heart of the Local Community

Constance House is a specialist Female Service set in the heart of the local community providing continuing care and rehabilitation to women with learning disabilities, associated mental illness and challenging behaviour.

Environment

A modern inspirationally designed Independent Hospital registered for 7 females; all bedrooms have en-suite bathrooms, high quality functional living rooms as well as an enclosed landscaped garden area.

Our focus is rehabilitation and community inclusion through measurable person centred planning. We offer the opportunity to develop new skills and build on existing ones whilst actively managing risks.

Multi-disciplined Team

Director of Hospital Services • Responsible Clinician • Psychologist • Activity Co-ordinators • Registered Nurses/Mental Health • Learning Disabilities • Healthcare Workers • Mental Health Act Administrator.

Location
