

Olive Eden

Tottenham, North London

CuroCare

Quality Care at the **Finest Hospital**

Olive Eden is a specialist service set in the heart of the local community providing continuing care and rehabilitation for adults with learning disabilities, associated mental illness and challenging behaviour.

Environment

Olive Eden is a modern inspirationally designed Independent Hospital registered for 14 people within two units. With en-suite bathrooms, built in televisions, DVD players, high quality functional living rooms as well as an enclosed landscaped garden area, the service offers 5* luxury service.

Olive Grove a 5 bedded female unit **Eden Court** a 9 bedded male unit

Genders are able to mix and socialise within a structured and supported environment promoting normal social interaction allowing us to actively manage gender specific risks. Our focus is rehabilitation and community inclusion through measurable person-centred planning. We offer the opportunity to develop new skills and build on existing ones whilst actively managing risks.

Multi-disciplined Team

Director of Hospital Services • Responsible Clinician • Healthcare Workers • Activity Co-ordinators • Mental Health Act Administrator • Registered Nurses/Mental Health • Learning Disabilities • Trained Psychologist.

Location

Located in **Tottenham, North London**, the service is easily accessible by public transport. The nearest tube station is Tottenham Hale – 0.9 miles and the nearest railway station is Northumberland Park – 0.3 miles.

Referrals

We are still taking referrals. For further details, please contact us.
